

Adventures Aloft Balloon Safaris Masai Mara

LOCATION

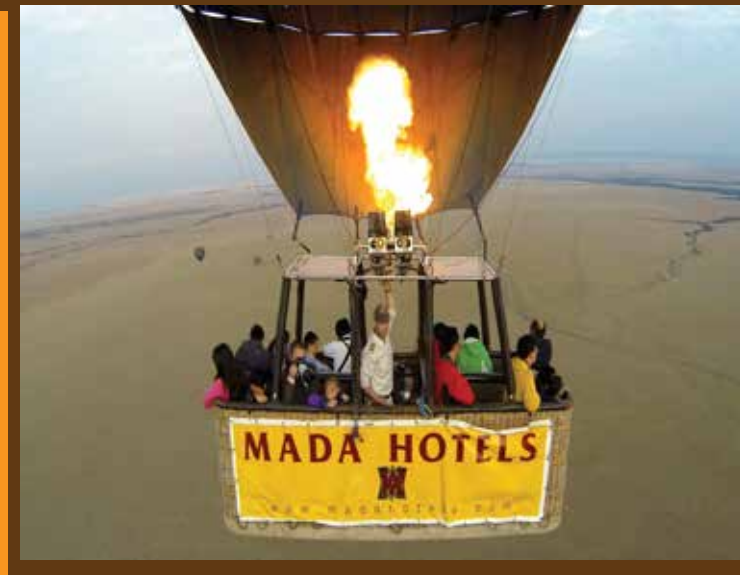

Adventures Aloft Balloon Safaris flies over the spectacular Maasai Mara game reserve.

Adventures Aloft in the Maasai Mara flies from Fig Tree Camp 2kms West of Maasai Mara Talek Gate.

CAPACITY

Adventures Aloft has a fleet of Cameron balloons consisting of six A415 balloons with a flying capacity of 16 passengers each and one A315 balloon with a flying capacity of 12 passengers. Adventures Aloft is able to fly 108 passengers a day.

PILOTS

All pilots with Adventures Aloft are experienced and are all commercially rated on the large size balloons.

In 30 years of operation in Balloon Safaris over the Maasai Mara, Adventures Aloft has a perfect safety record.

BALLOON SAFARIS

Balloon flights typically take off at 6.30am. Passengers arrive in time to watch the balloon inflation as the pilots torch the colored fabric to life. The flight is for one hour, each on a different path and following the day's prevailing winds.

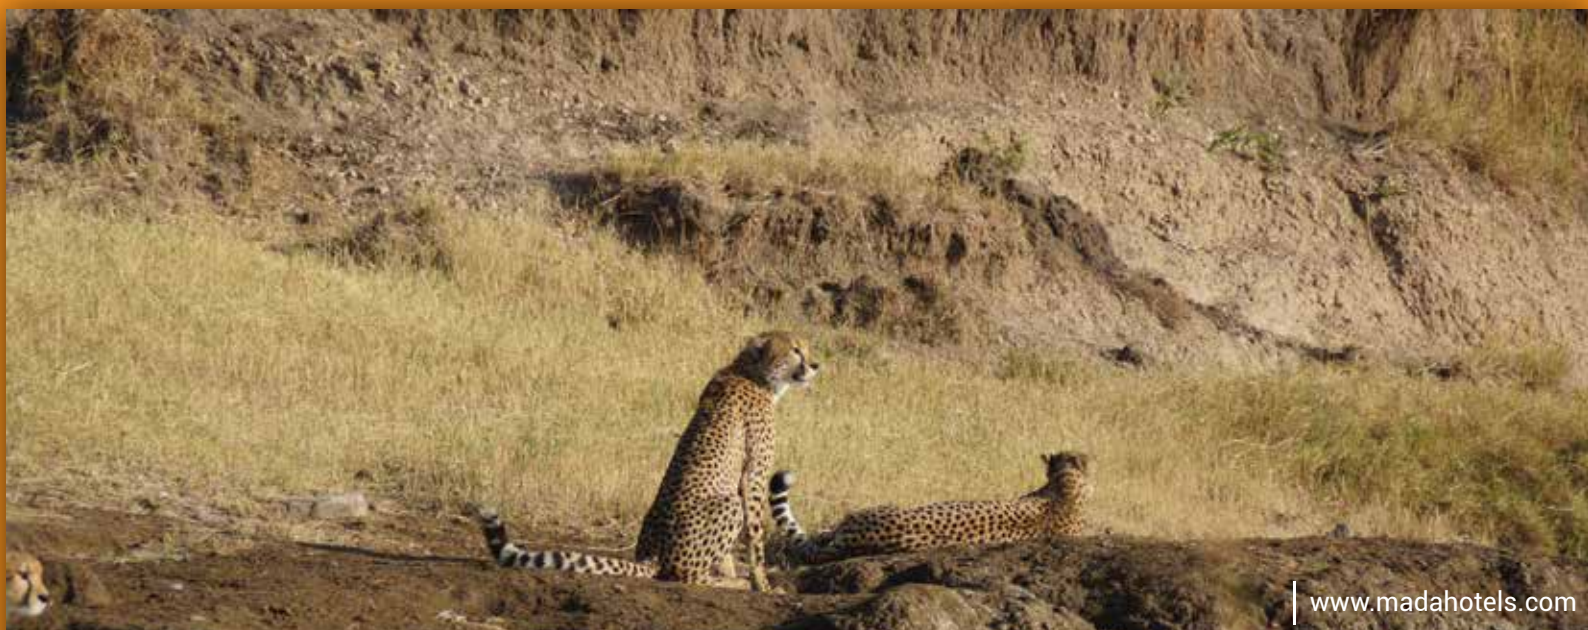

A Balloon flight allows passengers to float over the world's most spectacular game reserve, and offers a magical bird's eye view of the annual wildebeest migration and the other wildlife the Mara is famous for. On landing, the balloon crew set up a full champagne breakfast complete with "Bloody Marys" on the Mara plains.

Each passenger then receives a certificate from their pilot as a special memoir of their flight.

A game drive en route to the lodge or camp ends a special morning.
